

TEHREEM REHMAN

4440 95th St, Oak Lawn, IL 60453 ♦ tehreem.rehman@advocatehealth.com ♦ 347-209-8972

Education

Chief Resident | Emergency Medicine | Advocate Christ Medical Center | Expected July 2021

M.D. | Four-Year Merit Scholarship | Yale School of Medicine | May 2018

M.P.H. | Fully funded Sommer Scholarship | Johns Hopkins Bloomberg School of Public Health | May 2016

Concentration: Epidemiological & Biostatistical Methods for Public Health & Clinical Research

B.A. in Women's & Gender Studies | John Jay Scholar | Columbia University | May 2013

Social Innovation Experience

National Chair-Elect of Social Emergency Medicine Committee | Emergency Medicine Residents Association | 2019 – Present

- Lead working group on Best Practices Recommendations on optimizing social workers in the ED to promote equity and quality improvement
- Developed programming on the impact of the COVID-19 pandemic on vulnerable populations

Co-Developer | Health Inequity Simulation | Advocate Christ Medical Center | 2019 – Present

- Design simulation cases for Emergency Medicine physicians on structural determinants of health inequity
- Integrate community health workers, care managers, social workers into interdisciplinary training of residents

National Institutes of Health Medical Student Research Fellowship | 2018

- Developed clinical-community partnerships for information exchange at Yale New Haven Hospital, selected by the Center for Medicare and Medicaid's Innovation to pilot the Accountable Health Communities Model
- Identified geographical predictors of social needs to inform targeted community-based interventions for complex and vulnerable patient populations

Co-Founder | Systemic Disease | 2015 – 2018

- Generated qualitative data analytics to promote diversity and inclusion within healthcare systems nationwide
- Featured in Academic Medicine, The Chronicle of Higher Education, FemInEm, and Huffington Post
- Collaborated with Robert Wood Johnson Foundation, Johns Hopkins Berman Institute of Bioethics and AAMC

Co-Founder | US Health Justice Course | Yale University | 2013 – 2018

- Trained medical, nursing, and physician associate students on community engagement and advocacy
- Inspired creation of an annual "The Robert Rock and Tehreem Rehman Activism Award" at Yale

Administration and Operations Experience

Assistant Resident Director of the ED Administration Committee | Advocate Christ Medical Center | 2019 - 2020

- Worked with the Vice President of Population Health of Advocate Aurora Health to leverage technology platforms and community partners to improve resource referral management, electronic health record connectivity, and care coordination processes
- Collaborated with interdisciplinary partners to streamline ED workflow to address patients' social needs

Physician | COVID Strike Team | Advocate Christ Medical Center | 2020

- Provided recommendations on appropriate testing, hospital transfers, and outpatient follow-up
- Engaged in simulations with the System Resource Allocation Team on patient ventilator allocation

Program Coordinator, Caseworker | Health Leads | 2010 – 2012

- Developed caseworker training and supervised operations at Harlem Hospital's OB/GYN clinical site

Advocacy and Policy Experience

National Co-Chair, Coalition-Building Team | Students for a National Health Program | 2015 – 2016

- Established strategic partnerships with various organizations to organize national health justice programming

Fellow | Maryland Department of Health and Mental Hygiene | 2015 – 2016

- Worked with the Deputy Secretary for Public Health Services to establish a statewide advanced directives registry through collaboration with stakeholders such as the Office of Attorney General

Intern | Congressman Raul Ruiz, M.D. (D-CA 36th district) | Washington D.C. Office | 2015

- Provided evidence-based recommendations for legislative proposals and committee votes on health issues

Co-Founder and Co-President | Columbia University Public Service Initiative | 2011-2013

- Provided consultations on college admissions and financial aid to low-income high school students

National Chair, Regional Grassroots Organizing Coordinator | American Medical Student Association's Race, Ethnicity, and Culture in Health Committee | 2010 – 2012

- Oversaw the Education Equity Initiative, Cultural Sensitivity Skills Scholars Program, and Health Equity Scholars Program

Founder | Long Island Teen Environmental Activists | 2009

- Mobilized community support to pass the first-in-the-nation law banning Bisphenol-A in consumer products
- Featured in Glamour Magazine as an Eco-Hero alongside Lisa P. Jackson, Peggy Shepard, and Jane Houlihan

Community Engagement Experience

Board Member | Yale University Committee Overseeing Volunteer Services | 2014 – 2015

Chair of Evaluations Committee for Community Health Fair | Yale Student National Medical Association | 2013 – 2014

Board Member | Yale University Graduate & Professional Student Title IX Advisory Board | 2013 – 2014
